

CD / DVD Mastering, Replication and Packaging Solutions

In MediaWise, we are specializing in optical disc manufacturing and media fulfillment services. Our collaborating optical disc production plants are based in Northern Hellas (Greece), Europe and Asia, whilst our laboratories and affiliated premises are located all over the world.

Our marketing policy is based on three values: “Product Reliability”, “Quality of Service”, and “Customer Satisfaction”. This focus, combined to our strategic collaboration with Sanyo Holding, has allowed us to become a major software fulfillment center in the Mediterranean area and we are able to offer a wide gamut of high quality products and services for the European, Middle East, and Asian markets.

We can offer you worry-free, top-quality disc replication, delivered at your door, right on time:

- Pre-mastering, editing and authoring of your digital content.
- Glass-mastering, stamping and replication for CD-ROM, Audio-CD, Video-CD, Mixed Mode CD, Hybrid CD, SACD, DVD-ROM, Audio-DVD, Video-DVD, etc.
- Special packaging solutions to dress up your media and give a boost to your marketing plans.
- Both silkscreen and offset label printing are available.
- Total quality verification and assurance let us guarantee that the end-product shall be of excellent quality, otherwise we shall replace the goods on our own cost and expense.
- Extensive input media inspection for viruses, data integrity, etc.
- Artwork check, development, process and editing.
- Colour separation film process and development.
- Transportation and delivery handling.
- True customer care.
- Real-time order status notification via email.
- Vital satellite services (software copy protection, security solutions, etc.)
- Free sale-space in CDROM-Shop.com – the world’s favorite sales channel for software and gadgets.

Entrust the experience, know-how and professional guidance of MediaWise experts. Take under consideration that we offer the lowest and most competitive prices in all around Europe. You shall be pleasantly surprised by our low-prices and flexible payment options.

Besides, *business flexibility, invention, consistency, and mien* are the keywords of our success.
